Dr. KENNEDY'S FAVORITE REMEDY

Pleasant to take, Powerful in effect, and well adapted to every home.

KIDNEY AND LIVER CURE.

For all cases of indigestion, constipation, biliousness, headache, dizziness, neuralgia, rheumatism, and all other ailments arising from impure blood.

Prepared by Dr. J. C. Kennedy, New York, N. Y.

Do your CHILDREN ASK QUESTIONS?

Of course they do. It is their way of learning and it is your duty to answer. You may need a dictionary to aid you. It won't answer every question, but there are thousands to which it will give you true, clear and definite answers, not about words only, but about things, the sun, moon, stars, men, places, stories and the like. Then, too, the children can find their own answers. Some of our greatest men have ascribed their power to study of the dictionary. Of course you want the best dictionary. The most original prefer the New and Enlarged Edition of

WEBSTER'S INTERNATIONAL DICTIONARY.

If you have any questions about it write us.

W. & C. MERRIAM CO., PUBLISHERS, SPRINGFIELD, MASS.

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong. Full of vigor and frolic the whole day long. So when mamma needs more they rush off in their play. And about the drugstore: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pale, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking **Greene's August Flower** regularly for a few days.

It's a reliable old remedy, or all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind.

Two sizes, 25c and 75c. All drugstores.

Isaac Wisterman, Cedarville, O.

You Must Sleep.

If you cannot, it is due to an irritated or congested state of the brain, which will soon develop into nervous prostration. Nature demands sleep, and it is as important as food; it is a part of her building and sustaining process. This period of unconsciousness relaxes the mental and physical strain, and allows nature to restore exhausted vitality.

Dr. Miles' Nervine brings refreshing sleep, because it soothes the irritation and removes the congestion.

It is also a nerve builder; it nourishes and strengthens every nerve in your body, and creates energy in all the organs. Nothing will give strength and vitality as surely and quickly as Dr. Miles' Nervine.

"During the past winter I had two attacks of **La Grippe**, which left me very weak, and in bad condition. My wife, after trying different remedies, sent me a bottle of **Dr. Miles' Nervine**, and after taking it for a few days, I felt much better. I had been suffering from nervous prostration, and the **Nervine** has done more for me than any other medicine I have ever taken. I can now sleep and eat as well as ever, and my health is much improved."

—**Wm. H. Smith, Underhill, Vt.**

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the **Nervine** will benefit you. If it fails, he will refund your money.

AN INDORSEMENT.

The result of the election Tuesday shows that while Greene county ran far behind on the head of the ticket, there was one candidate that received a vote that ran far ahead of the ticket. Representative, George Little received 8822 while Herrick was credited with only 2222. His representative Little during his first term did some valuable work in the House and the vote he has received is a strong indorsement. He is broad minded and has the courage of his convictions which will make him a leader among the Republican members of the House.

TIPS LEAD TO BRIBES.

At the recent convention in Hamburg of the Coal Dealers' association of Germany a number of delegates spoke on the practice of tipping and bribing. They explained that stockholders and others having to do with coal used in manufacturing works and large establishments of any kind must be given bribe money or have their influence used against the coal dealers to prevent the securing of new orders. The delegates urged the necessity of taking measures to abolish the nefarious practice. Americans traveling in Europe find the tipping abuse very annoying. The tipping evil has undoubtedly led to the bribery method which now has become so vexatious to business people.—Brooklyn Eagle.

Advertising.

Many of the largest advertisers in the country have come to the conclusion that out of door advertising is a waste of money and that no results come from the placing of signs on hillsides and in all sorts of conspicuous places. The concerns that do that sort of work are curtailing expenses, knowing well that the beginning of the end of their business is at hand. In addition to this there is a decided movement all over the country to do away with the billboard horror, the argument against it being its hideousness and the marred effect on the scenery in the districts and its damage to antiquities property in the cities.—Rochester Union and Advertiser.

Comedians' Early Careers.

Few of the funny men on our stage expected to be comedians when they began their careers. De Wolf Hopper studied law before going into theatricals. Peter Dinklage was a jumper in Whitney's circus. Digby Bell was a purser for the White Star Steamship company. Richard Carle was engaged in Lyceum work. Henry Clay Barnabee was a cash boy and Thomas Q. Seabrooke was a bank teller. James T. Powers was a Western Union messenger boy. Frank Daniels was a wood carver and Harry Conner was a plumber. Jefferson De Angelis was introduced to the stage at the age of three and has been acting ever since.—New York Press.

Impoverished Soil

Impoverished soil, like impoverished blood, needs a proper fertilizer. A chemist by analyzing the soil can tell you what fertilizer to use for different products.

If your blood is impoverished your doctor will tell you what you need to fertilize it and give it the rich, red corpuscles that are lacking in it. It may be you need a tonic, but more likely you need a concentrated fat food, and fat is the element lacking in your system.

There is no fat food that is so easily digested and assimilated as

Scott's Emulsion of Cod Liver Oil

It will nourish and strengthen the body when milk and cream fail to do it. Scott's Emulsion is always the same; always palatable and always beneficial where the body is wasting from any cause, either in children or adults.

We will send you a sample free.

Do you think this picture in the form of a letter is on the wrapper of every bottle of Emulsion you buy?

A LITTLE NONSENSE.

Story About a Catfish as Related by Banny.

The catfish is a slippery, goosy kind of fish that inhabits all kinds of water, but prefers dirty water. It looks like a large head with a body and tail stuck on to it. Catfish frequently attain the size of a good, big schoolboy and are quite irritable and ferocious. They have sharp jiggers on their sides and elsewhere with which they can jab you like everything. When you suddenly pull a small catfish with a large head and a yellow underside out of the water and flop it on the bank it sometimes makes a noise like "glug," which is catfish for swearing. Once there was a man who lived on the Mississippi river. A large catfish had broken all his lines and swallowed all his hooks. He made a big iron hook, fastened it to the end of a long leather strap, took a porterhouse steak for bait and caught the catfish. It weighed 214½ pounds. He told another man about it and the other man told father. If it had weighed 215 pounds he would have said so. The works of creation are wonderful. Let us always be honest and courageous and obey our parents and teachers and we will grow up to be useful.—Chicago Tribune.

Not Composing Now.

A few years ago in Cincinnati a musical was given in honor of James Lane Allen, the prominent novelist. A wealthy society woman of that town, somewhat limited in her knowledge of music, but anxious to pose as a patroness of music and art, rushed up to Mr. Allen and enthusiastically exclaimed: "Oh, Mr. Allen! Are you fond of Bach? Is Bach still composing?" "No, madam," gravely replied the writer, "Bach is now decomposing."—Lippincott's Magazine.

CONDENSED STORIES.

How a Beautiful Innkeeper Was Punished by a Joker.

Dr. John F. Russell of New York, whose emulsion of fats and compound of vegetable juices have done so much for the cure of consumption, said at a meeting of physicians that he did not wish to praise too ardently his discoveries.

"For they who speak overhighly of their own work," he said, "are always a little ridiculous, and sometimes they stumble, like a certain innkeeper, into a pitfall."

"This innkeeper, a New Hampshire man, was noted for the fine quality of his beer."

"A joker from Sunapee, a gentleman named Dickey, one day that he would put up a trick on the

THE LANDLORD LIFTED THE GLASS.

innkeeper, and as he sat at a table with some friends in the inn he poured a lot of vinegar and pepper into a glass of beer before him.

"Then Perley made a horrible face and roared out:

"'Dreadful! It's a shame! This is not beer. It is poison.'

"Pale with rage, the landlord hurried in.

"What's the matter with you, Perley?" he said. "That beer is all right."

"All right, is it?" said Perley, winking at his companion. "Well, just taste it and see if it's all right."

"The landlord put the full glass of doctored beer to his lips. He drained the vile mixture to the last drop. Then, determined to stand up for himself at all costs, he said:

"An excellent glass of beer. I never tasted a better."—Kansas City Journal.

Why the Tenor Was Fined.

The late Judge ("Biff") Hall of Chicago took great delight in telling the following story of "Punch" Wheeler:

"Wheeler, at that time the advance agent of a minstrel company, had returned to New York before the close of the theatrical season, and a friend, meeting him on Broadway, asked him how he had found business."

Very Bad," said "Punch."

"So bad that the only way we could pay the members of the troupe was to fine them. It worked splendidly, too, and, by the time we reached Texas the manager had squared up with the whole company excepting the first tenor, who was such a proper chap that there was no chance to find fault with his actions. At Galveston Mr. Tenor sang for his solo 'The Lighthouse by the Sea' and for an encore responded with 'Over the Hills to the Poorhouse.' That gave the boss the opportunity he was looking for, and he leveled on the songster's salary for the entire amount—first, for telling the business we were playing to, and, second, for giving away the route of the show."—Judge.

Helpful Little Brother.

Admiral Evans, at a dinner at Narragansett said apropos of disappointment:

"The poor fellow's feelings in this misfortune must have resembled those of a young planter whom I knew in my youth in Virginia."

"The young man was in love with a girl of great beauty. She had many suitors, and to all of them she was more partial than to my friend. But he, though snubbed continually, remained very faithful."

One Sunday evening when he called the girl's little brother admitted him.

The youngster led him into the parlor, went upstairs to announce his name and then, returning, said:

"Sit down, Mr. Sparkler. She will see you in a few minutes."

"I am glad of that. I was afraid she might ask to be excused, as she has done so often before."

"No fear of that this time. I played a trick on her," said the little brother.

"How was that?" Sparkler asked.

"Why," said the lad, "I pretended you were some one else."—Kansas City Journal.

Ebersole Pianos
ABSOLUTELY DURABLE.

webster & son, new york, n. y.

"We have for a number of years used Ebersole Pianos in the Conservatory where they are constantly subjected to the hardest kind of use. We have found the Ebersole to be a good, durable piano, well able to stand the wear and tear of the music room."

Iron-Ox Tablets

ARE YOUR BOWELS RIGHT?

That is the first thing the doctor wants to know when he is called to the bedside of one who is sick. "How are your bowels?" he asks.

That gives him a key to the state of your health.

He knows, better than anyone else, that where constipation exists there are a thousand forms in which sickness can creep in and tear down the health and strength.

Here are a few of the ailments that are directly caused by a constipated condition of the bowels:

Sick headaches, extreme nervousness, indigestion, torpid and enlarged liver, weak kidneys, backache, piles, eruptions of the skin, impure blood, boils, hives, and many other diseases start with disorders of the bowels.

If you would be healthy, never neglect the bowels.

Neglect makes matters ten times worse. Constipation does not cure itself. It grows steadily worse and worse when neglected.

When your bowels show signs of irregularity, set them right at once! Don't delay.

Iron-Ox Tablets are not like any of the ordinary remedies offered for constipation. They are not harsh or sudden in action, neither do they fix a habit upon you.

They can be used just as they are needed. You can rely on them to set the bowels right without delay.

They cure constipation, not merely giving temporary relief.

They have proven their value in thousands of cases of chronic constipation. Even in extreme cases, where the best physicians have not been able to break up this stubborn disease. They have proven that they can and do cure constipation.

If you value your health you will always have a box of Iron-Ox Tablets handy. They are sold in a handy little aluminum case containing 50 tablets. This dainty box can be slipped into the purse or the vest pocket and carried with you wherever you go. When you feel sickness creeping upon you, one dose will generally prove enough to set you right again. 25 cents a box at your druggists, or sent anywhere on receipt of price by The Iron-Ox Remedy Co., Detroit, Mich.

TWENTY REASONS FOR VOTING AGAINST THE SALOON.

1. It never builds up manhood, but tears it down.
2. It never beautifies the home, but often wrecks it.
3. It never increases one's usefulness, but often lessens it.
4. It never allays the passions, but inflames them.
5. It never stills the tongue of slander, but loosens it.
6. It never promotes purity of thought, but poisons it.
7. It never empties almshouses and prisons, but fills them.
8. It never protects the ballot box, but defiles it.
9. It never makes happy families, but makes them miserable ones.
10. It never prompts to right doing in anything, but to wrong.
11. It never prepares one for heaven, but for hell.
12. It never diminishes taxes (with all its revenue), but increases them.
13. It never renders the Sabbath quiet, but desecrates it.
14. It never protects our property nor personal safety, but endangers them.
15. It never helps one to get a good insurance policy on his life, but militates against it.
16. It never creates ambition and thrift, but invites laziness, profligacy, poverty, idleness and crime.
17. It never builds up the church, but peoples the station houses, prisons and chain gangs.
18. It never refines character nor promotes Christian grace, but is a destroyer of the soul.
19. It never teaches honesty and uprightness, but invites the incendiary to apply the midnight torch.
20. It never protects a man, but robs him of his money, his family happiness, his good name, his hopes and all endearments of life.

Mother's and Wives' Appeal to Voters.

Because of the strong tendency of young men and boys in an open saloon town to inebriety which ruins homes, happiness, and morals, and because we believe it wise to save the boys from forming the taste for strong drink and because we the mothers who are the greatest sufferers from the curse have no vote where by we may express our convictions at the ballot box, therefore we the mothers who sign this petition, very earnestly and prayerfully appeal to you the voters of Cedarville to vote against the repeal of the Beal Law at the coming election Saturday November, 11, 1905.
